Mistakes in bids shall be handled as provided for in section 3-122, HAR, and HUD requirements at HUD Handbook 7460.8.

2. In the case of a tie, the bid shall be awarded: 1) to the present Contractor (if it is one of the tied bidders and whose previous business and/or performance indicate that it was responsible); or 2) if there is no present Contractor or if the present Contractor is not a tied bidder, by the flip of a coin or some other random means of selection.

Any Contract arising out of this solicitation is subject to the approval of the Department of the Attorney General as to form, and to all further approvals as required by statute, regulation, rule, order or other directive.
